MEMO ENDORSED

Re: United States v. Fabio Bretas de Freitas, S3 19 Cr. 257 (LTS)

Dear Judge Swain:

On or about February 10, 2020, the Court issued an order requiring that a member of the medical staff at the Metropolitan Correctional Center (the "MCC") with knowledge of defendant Fabio Bretas de Freitas's medical condition and treatment appear at the sentencing in the above-captioned case, which is currently scheduled for February 12, 2020 at 3:00 p.m. I have consulted with Nicole McFarland, the supervising attorney at the MCC. She has advised me that she is the only attorney at the MCC and will not be available on February 12, 2020 to accompany the personnel whose appearance the Court has ordered. The Government therefore respectfully requests that the sentencing be adjourned until February 19, 2020 or a later date that is convenient for the Court. Should the Court grant this adjournment, I will confer with Ms. McFarland and defense counsel to propose dates for the Court's consideration.

The February 12, 2020,
sentencing date is adjourned
to a date to be determined.
The Government shall consult
with the participants and
propose one or more adjourned
dates. SO ORDERED:

HON. LAURA TAYLOR SWAIN
UNITED STATES DISTRICT JUDGE

Very truly yours,

GEOFFREY S. BERMAN
United States Attorney
